MY MOTTO

RECOGNIZE, ACCEPT, CHANGE

In my career, I have developed skills director, cameraman, editor, photographer, coach, and actress.

These experiments have taught me to channel my creative energy to go to essence in the construction, the development and the project management.

That led me to direct, train, manage technical and artistic teams, prepare, organize and negotiate with providers, to defend projects and especially of adapting to all situations being reactive to find effective solutions.

I used to travel and adapt myself to the country requirements and ensuring good intercultural relations.
